DOESN'T REALLY MATTER.

I DON'T HAVE MUCH OF A USE FOR IT.

DON'T I?

YOU AGREE

RIGHT,

I'M OUT

NOTHING

I CAN DO IT

HOW DO
YOU SEEM

YOU
MIGHT'VE

POINTS
ON HOW
A COP
BEHAVES.

PLEASE
AT LEAST

WHERE
I'M GOING

YOU'RE

WHO'S GOING
TO HAVE ANY

VOL. 17 END

AFTER-WORD

Thanks so much for reading
Shinryaku! Ika Musume,
Volume 1!

This batch of chapters saw some painful developments: Ika Musume rejecting Sanae, Cindy giving up on her space-alien theory, showing Ika Musume her relatives in an appalling state and abandoning their long-running gag.

I've been drawing this unending, unchanging summer vacation every week for seven years now, as doubts continue to build over whether this is really an okay thing to do.

But, it's exactly thanks to doing that that I still have so much material I can write. Therefore I'm not quitting yet. As long as there's one single person in the world looking forward to another chapter, I'll do my best to deliver.

I hope to see you all again in Volume 18!
